Reetest Information

Opportunities for retesting the written part of the certification test can be made by contacting the CCET office at 607-587-4049. Test sites are located at NY Construction Materials Association and SUNY Alfred. The fee is $105 payable to the Research Foundation upon verification of a test date and site. Failure of two retests will require retaking the performance part of the test.

All programs and services of the College are administered without discrimination on the basis of age, sex, race, military status, race, color, creed, religion, national origin, disability, or sexual orientation.

**Recertification Information**

The option for recertification is for a currently certified person to take the written test only if the certified person has been tested by an IAST 2 times in the 5 year certification period. One of these tests by an IAST needs to be in the 2 years prior to recertification. The IAST records will be based upon NYSDOT records. You may take the written test only on the second day of a scheduled program at Alfred. You may also take the written test only at NYCMA in Latham, NY. Please call 607-587-4049 for dates. Recertification cost is $395.
